DETAILED ACTION

Allowable Subject Matter

1. Claims 1,3,5-12, and 14-16 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1 and 7 recite, inter ali, a battery charger with a protective means for covering the terminals wherein the protective means has it's movement limited by a stopper protruding from the under surface of the protective means into the elongated through-hole, and the protective means is limited to the movement of the stopper within the elongated through-hole. The art of record does not teach, discloses or suggest the claimed invention, nor would it have been obvious to a person having ordinary skill in the art to modify the art of record to do so.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
